Action taken report on student feedback analysis

- ✦ As students have stressed regarding modern teaching aids, the centre for Sri Venkateswara College of Pharmacy were notified regarding the same and faculty are encouraged to provide PPT presentations with real mode applications and videos by providing necessary facilities in classrooms and seminar halls.
- ✦ In the elective subjects, more innovative teaching was being practiced to meet the needs of innovative methodologies as recommended by students to enhance the knowledge on the broader opportunities apart from their curriculum.
- ✦ More NSS activities are being implemented like blood donation camps, health monitoring in nearby villages etc.

Action taken report on teacher feedback analysis

- ✦ The teachers' feedback on the curriculum was circulated with all the concerned and the necessities for updating syllabus will be communicated to university.
- ✦ In the open ended question teachers have commented that more infrastructure for upgrading knowledge is necessary and practical knowledge must meet the present research works.
- ✦ Furthermore, asked to conduct regular departmental level expert committee meetings. IQAC is working on it on due communication.
- ✦ Digital entry in the library needs to be enhanced and the librarian was informed that there must be more interaction with students and to encourage to utilize library resources.
- ✦ The information is communicated to canteen supervisor to make a separate cabin for staff and administration is working on it.
- ✦ IQAC head communicated to management regarding funding and incentive policy, which will be discussed in next IQAC meeting.

28-4-2022

Action taken report on employer feedback analysis:

Employers are highly satisfied with curriculum design and development. Employers opined that Curriculum has relevance in imparting communication skills and can handle current trends and practices in pharmacy. Training and placement support is discussed in IQAC meeting as well and are taking steps as additional steps to curriculum in developing it.
