Sir/Madam,

1. With reference to the subject cited above, it is stated that the Pharmacy Council of India (PCI) does not prescribe the minimum educational standards to qualify the Degree in Pharmacy.
2. However, if any institution wants its B.Pharm course to be approved under section 12 of the Pharmacy Act, 1948 for the purpose of qualifying for registration as a pharmacist, it has to apply to PCI for approval of the course in the Standard Inspection Form called SIF in triplicate alongwith the letter of consent/affiliation of the Examining Authority/University. The Examining Authority should confirm in writing of their willingness to get their degree course and examination in Pharmacy approved from the PCI in conformity with the standards laid down under Education Regulations for the Diploma course in Pharmacy.
3. It is further stated that as per appendix B of Education Regulations 1991, the pay scales of teaching staff shall be as prescribed by the All India Council for Technical Education for teaching staff of polytechnics from time to time. The organization intending to seek approval of the Degree course in Pharmacy is therefore required to implement the AICTE pay scales to the teaching staff and submit a duly sworn in affidavit to this effect with full details i.e.
 - i) Name of the staff members;
 - ii) Designation;
 - iii) Qualification;
 - iv) Date of joining;
 - v) Pay scales;
 - vi) Allowance, D.A. etc.;
 - vii) Total emoluments and
 - viii) Signature of the concerned staff member.

4. A Private institution is also required to submit an approval letter from the State Govt. permitting it to start a Degree course in Pharmacy.

8. The PCI shall at the appropriate time conduct inspection of B.Pharm course to assess that the institution complies with the minimum conditions as laid down in the Education Regulations, 1991 (for the Diploma course in Pharmacy) as notified in the Gazette of India, Part III, Section 4 No. 28 dated 11th July, 1992 and for granting approval of the B.Pharm course u/s 12 of the Pharmacy Act for the purpose of registration as a pharmacist. It will be the responsibility of the institution to obtain the year wise approval of the PCI u/s 12 of the Pharmacy Act before the first batch of students pass out from the institution. Failure to get such approval, will entail the institution from not admitting students further.
9. Please note that the last date/cut off date for submission of above documents is 15th September for seeking approval from the next academic year e.g. if approval is sought from 2006-2007, the documents complete in all respect shall reach the PCI office on or before 15th September, 2005 positively.
10. In view of above, your D.D. No.767512 dt.29.6.2005 for Rs.30,000/- is returned herewith.

Kindly acknowledge its receipt.

Yours faithfully
