### REPORT

Name of the programme: Language and Communication Skills.

Date of the programme : 26/04/2022 – 30/04/2022.

The programme started with the introduction of the speaker. The first activity involved a group discussion on importance of effective communication in our daily lives.

The 2<sup>nd</sup> activity focused on language skills, specifically on improving vocabulary and grammar.

The speaker also provided some examples and encouraged the students to the techniques through role play exercises.

The final activity involved a presentation on effective communication techniques, including active listening, body language, and clear and concise language.

The programme was successful in achieving its goals of improving language and communication skills. Many of the students learned about the skills.

### REPORT

Name of the programme : Language And Communication Skills.

Date of the programme : 16/10/2020 – 21/10/2020.

The event began with a keynote speech by the guest speaker. He emphasized the importance of language and communication skills for success in today's globalized world. He highlighted the need for individuals to be proficient in multiple languages and develop effective communication skills to achieve their goals.

The event covered a range of subjects, including public speaking, business writing, and cross-cultural communication.

The event was a great success, providing students with valuable insights and skills to improve their language and communication skills.

## REPORT

Name of the programme : Language and Communication Skills.

Date of the programme : 15/06/2019 – 19/06/2019.

The programme is designed to help individuals improve their language & communication skills. The activities involved are group discussion which helps the students to increase their capability. Brief seminars are conducted by the students.

Students worked in pairs to complete vocabulary exercise, and the speaker gave some tips on how to expand one's vocabulary. She also provided some examples and encouraged the students to the techniques through role play exercises.

Overall, the language & communication skills programme was a valuable and enjoyable experience for all involved. The speaker's expertise and guidance, combined with students' enthusiasm and engagement.

## **REPORT**

Name of the programme: Language and Communication Skills.

Date of the programme : 12/03/2018 – 16/03/2018.

The programme started with the introduction of the speaker. The first activity involved a group discussion on importance of effective communication in our daily lives.

The next activity focused on language skills, specifically on improving vocabulary and grammar.

The final activity involved a presentation on effective communication techniques, including active listening, body language, and clear and concise language.

Attendees had the opportunity to immerse themselves in the target language through interactive sessions, group discussions and role playing exercises.

The programme was successful in achieving its goals of improving language and communication skills. Many of the students learned about the skills.
