## REPORT

Name of the programme: Language and Communication Skills.

Date of the programme : 12/03/2018 – 16/03/2018.

The programme started with the introduction of the speaker. The first activity involved a group discussion on importance of effective communication in our daily lives.

The next activity focused on language skills, specifically on improving vocabulary and grammar.

The final activity involved a presentation on effective communication techniques, including active listening, body language, and clear and concise language.

Attendees had the opportunity to immerse themselves in the target language through interactive sessions, group discussions and role playing exercises.

The programme was successful in achieving its goals of improving language and communication skills. Many of the students learned about the skills.
