### REPORT

Name of the programme: A Life Skill Programme on Basic First Aid.

Date of the programme : 28/09/2021.

The aim of the programme is to teach students how to provide immediate medical assistance in emergency conditions.

The students were taught how to identify common injuries and illnesses, including burns, cuts, fractures and heart attacks. the instructor demonstrated various first aid techniques such as how to stop bleeding, how to perform CPR and how to use an automated external defibrillator. He also explained how to create a first aid kit and how to call for emergency medical services etc.

The students gained confidence in providing immediate medical assistance.

## REPORT

Name of the programme: A Life Skill Programme on Active Listening.

Date of the programme : 18/08/2020.

The event started with brief introduction by the speaker who explained the objectives of the programme. The students were taught the importance of active listening in effective communication and how it can help in building strong interpersonal relationships.

The speaker demonstrated various active listening techniques including paraphrasing, summarizing and asking open-ended questions. The programme also included sessions on the barriers to effective listening and to overcome them.

The programme ended with a brief speech by the speaker encouraging the students.

### REPORT

Name of the programme: A Life Skill Programme on Yoga.

Date of the programme : 23/08/2019.

The event started with a brief introduction by the yoga instructor who explained the objectives of the programme. The students were divided into groups based on their age and experience level. The instructor demonstrated various yoga poses and techniques, including standing poses, forward bends, and twists. The students were then asked to practice these poses under the guidance of the instructor.

The instructor also emphasized the importance of breathing techniques in yoga. He explained the meaning of various Sanskrit terms used in yoga, such as "pranayama" (breathing exercises), "asana" (postures), and "om" (a sacred sound). The students were encouraged to practice mindfull breathing and to focus on their breath during the yoga session.

Overall, the life skill programme on yoga was a success. The students learned new skills, improved their physical and mental well-being.

### REPORT

Name of the programme: A Life Skill Programme on Problem solving.

Date of the programme : 06/08/2018.

The aim of the programme was to teach students effective problem solving techniques, enhance critical thinking and decision making skills.

The event started with a brief introduction by the speaker who explained the objectives of the programme. The students were divided into groups and were given case studies to work on.

The speaker taught the participants various problem solving techniques, including brainstorming, mind mapping and root cause analysis.

The students learned new skills, enhanced their critical thinking and decision making abilities and gained a deeper understanding of effective problem solving techniques.

## REPORT

Name of the programme: A Life Skill Programme on Stress Management.

Date of the programme : 08/08/2017.

The programme initiated with an informative session on the nature and sources of stress. Participants learned about the physical and psychological effects of stress on health.

Expert facilitators conducted workshops on a variety of stress reduction techniques, including mindfulness, meditation and deep breathing exercises.

A session on time management and organization strategies was provided to help participants manage their tasks and responsibilities more effectively.

Strategies for handling job-related pressures, setting boundaries and achieving a healthy work life balance were discussed.

Participants learned about the connections between wellness and stress management. Sessions covered the importance of regular exercises, nutrition, and sleep in reducing stress levels.
