REPORT

Name of the programme : Guidance for competitive exams.

Date of the event : 23/03/2021 – 27/03/2021.

Competitive exams are tests that assess a candidate's knowledge and aptitude in various areas. These exams are conducted for admission to universities, recruitment in government and private sectors, and for professional certifications.

The session was interactive, and students were encouraged to ask questions and share their concerns. The career counselor answered their queries and provided valuable insights. She also provided students with resources such as books, study materials, and websites that they can use to prepare for competitive exams.

REPORT

Name of the programme : Career counseling for competitive exams.

Date of the event : 28/12/2020 – 30/12/2020

The career counseling session provided students with insights on choosing the right career path and preparing for competitive exams. The counselor discussed various career options available for students who are interested in appearing for competitive exams and highlighted the importance of selecting the right career path based on an individual's interests, strengths, and weaknesses.

The counselor also shared tips on how to prepare for competitive exams, including creating a study schedule, practicing previous year papers, and taking mock tests. The session was interactive, and students were encouraged to ask questions and share their concerns. The career counselor answered their queries and provided valuable insights. He also provided students with resources such as books, study materials, and websites that they can use to prepare for competitive exams.

The career counseling session was a success as it provided students with valuable insights on choosing the right career path and preparing for competitive exams. The session was informative, interactive, and engaging. Students left the session feeling more confident and motivated to pursue their career goals.
