6.2.1 The institutional Strategic/ perspective plan is effectively deployed

Curriculum Development:

- Being an affiliated college we attend curriculum planning meetings organised by BOS Chairman A.U. Pharmacy and take part in curriculum design and development.
- Required inputs are also being collected from various stake holders like companies that visit for placements, experts who visit the college on various occasions, alumni, etc

Teaching and Learning:

- Special orientation classes are arranged as per the need.
- Examination schedules are strictly followed.
- Smart class rooms with ICT Facilities are available.
- NPTEL certification courses are introduced as a part of MOOCs.
- Feedback on faculty by students is maintained.
- Internships are being arranged for students.
- Remedial classes are arranged for slow learners.
- Outcome Based Education is being implemented.

Examination and Evaluation:

- Two internal examinations are conducted as per the University norms in highly confidential manner in every semester apart from University semester/year end examinations.

Research and Development:

- Students are encouraged to do research oriented projects.
- Resources like journals, internet, digital learning materials, PCs, software, etc. are provided to carry out research.
- The cell provides all the necessary guidance by suggesting various funding agencies that provide financial assistance.
- It encourages applying for externally funded research projects.
- Faculties are encouraged to register for Ph.D. by sanctioning leave and also with financial assistance as per norms.
- Financial assistance is extended to faculty and students for presentation of research papers, attending conferences, workshops, etc.
