ANNUAL E-GOVERNANCE REPORT FOR THE A.Y. 2021-22

The following Annual e-Governance report for the Academic Year 2021–2022 is proudly presented by the Principal of Sri Venkateswara College of Pharmacy.

In the following areas of activity, the Institution has implemented electronic governance:

1. Administration

2. Finance and Accounts

3. Student admission and support

4. Examination

The details of the above are as follows:

1. **Implementation of e-Governance in the administration of the college website**
   There are occasionally announcements and information about administration and students on the college website. The website is updated frequently with information on placements, conferences, workshops, and numerous committees such as student welfare and grievance ⊕

2. **Implementation of e-Governance in Finance and Accounts**
   Information about payments and receipts is kept on BEES Software. The essential information is audited by competent auditors.

3. **Implementation of e-Governance in Student Admission and support**
   i) Admission information: Information on the students' admissions, such as the branch, register number, and category of admission, is published.
   ii) Academic Information: Our college's existing automation, BEES software for Educational Institutions, receives the students' academic information. Their attendance information as well as their results in both internal and external exams are uploaded. For better and more

effective e-Governance, the college has purchased and made available BEES Software.

4. **Implementation of e-Governance in Examination**

   The university portal has been uploaded with the internal grades and external grades. The university portal, which is accessible to students, displays the findings.
