About College

Sri Venkateswara College of pharmacy was established in 2004 by Vikas Educational Society, Etcherla, Srikakulam district. The objective of the college is to impart quality education to the students of rural areas. The college have the student community in their academic endeavour and extra-curricular activities. The Placement cell is active, opening the frontier of job opportunities. This college is committed to pursue excellence in all its disciplines and providing training to develop professional responsibility, Social sensitivity and cultural awareness. It also directs students through the path of truth and integrity. Our college is surrounded by the beauty of nature. The college offers . B.Pharmacy, M.Pharmacy, (Pharmaceutical Analysis & Quality Assurance, Pharmaceutical Technology, Pharmacology) and Doctor of Pharmacy courses.

OBJECTIVES

- The main objective of the programme is to discuss about present challenges in Drug discovery.
- Natural products constitute an important source of molecules for product development.
- Throughout this programme, we highlight the obstacles that need to be overcome in order for natural products compounds to be considered promising prototypes.

Topics

1. Outline of traditional bioactivity-guided isolation steps in natural product drug discovery.
2. Applications of advanced analytical technologies empowering modern natural product-based drug discovery.
3. Strategies for Genome mining-driven discovery of natural products and natural product-like compounds.
4. Strategies to obtain Natural product analogues with superior properties.
